## Haiku Poem - Christmas

A Haiku poem consists of 3 lines and 17 syllables and can be written on many themes.

Each line has a set number of syllables:

Line 1 – 5 syllables

Line 2 – 7 syllables

Line 3 – 5 syllables

Read the two examples below:

An old silent pond...  
A frog jumps into the pond,  
Splash! Silence again.

The sky is so blue.  
The sun is so warm up high.  
I love the summer.

Now try writing 2 of your own Haiku poems. Your theme is **Christmas**. Think of a title for each of your poems.
