ADRA. Special thanks and appreciation to all who were involved and contributed to ADRA Annual Appeal 2013. Over £11,345 was raised. While we did not meet our goal, every penny raised has helped to alleviate poverty through ADRA programmes. Your support has been tremendous. To God be the glory.

THANK YOU. I would like to say thank you to everyone who attended my baptism last Sabbath and for supporting me as I took my next steps in my walk with God. Your presence made the day even more memorable. Thank you also to all of those who helped with the preparations for the service, which made the day a beautiful event in every way. Your help and friendship cements my comment in my testimony that the church membership here is a true testament of friendship and family. As I start on this new path in my relationship with God I ask that you keep me in your prayers so that I never forget the enormous step I took last week and its significance in my life. Misha.
