A People of Prayer

But he who received seed on the good ground is he who hears the word and understands it, who indeed bears fruit and produces: some a hundredfold, some sixty, some thirty. Matthew 13:23

The most important factor in sowing seed is PRAYER

"A prayer movement precedes every disciple-making movement... There are two sides to catalysing a prayer movement. First, we must become a people of prayer. Second, we need to mobilise people to pray." *D & P Watson, Contagious Disciple Making, p 79.*

In a recent sermon, Pastor Jacques set us a challenge: to make a list of seven persons and to pray for one of them on each day of the week. One person should be someone we wish to see give their life to Jesus, and one should be someone on our list of "enemies". We are encouraged to pray for these seven persons every week until the end of this year.
