PROGRAMMES & EVENTS

Fellowship Lunch TODAY after the service for those who booked.

"My Teenagers, the Future of This Church" TODAY at 3pm. Many parents and churches struggle with questions about how to keep teenagers and young adults in church. Teenagers want to free themselves from their parents' hands, while young adults face new challenges at university, at work, in relationships or other duties that change their relationship with the church in which they grew up. This programme will be a discussion on this subject under the leadership of Arnoud van den Broek. He will share his experiences as a parent, an elder and a youth leader. He will also speak about a successful project in the Netherlands for teenagers and young adults that includes a reach out to friends and families outside the church. Organised by the Family Ministries Department, this programme includes an opportunity for Q&As and one hour of child care will be provided.
