BROWN ENVELOPES are available for anyone who finds them convenient. The fund gains a tax advantage if used by a donor who is eligible to claim Gift Aid but does not already have an SEC Gift Aid number. Donors who have a Gift Aid number need not fill in the form on the envelope: their donation will automatically be Gift Aided for the Development Fund unless they write "Not for Gift Aid" on the envelope. Others who are UK taxpayers (other conditions may apply) may fill in the declaration form on the envelope to make a single Gift Aided donation. Name, address and signature are required. All other donations in the special Brown Envelopes will be treated as regular Development Fund donations without Gift Aid. The Development Offering will be collected today.
