## ANNOUNCEMENTS

**MY FAVOURITE HYMN** Come and join us for 'My Favourite Hymn' on **Saturday, 13th July at 7:30 pm**. We will unite in praise with a diverse array of ensembles, including Handbells, Chimes, Orchestra, and Choirs.

**ARE YOU DUE TO START A UNIVERSITY OR COLLEGE** course or an apprenticeship this autumn? The Pathfinders, Young Adults and Education Departments are compiling a list of people who are taking this important step so that we can assess how best to support you. If you would like to provide your details or to find out more, please speak to Yetunde Bright or Linda Williams.

**THE CHILDREN'S SABBATH SCHOOL** is a very busy department, staffed by willing volunteers, without whom we could not function. We are always looking for more youth and adults to help with teaching, activities, storytelling, and safeguarding/registration. We are particularly needing assistance in Kindergarten age 4-6, Primary age 7-9, and Juniors age 10-12. The more participants we have, the better. With enough volunteers, it's likely you could only be on the rota every 6-8 weeks. Please see Natalie Davison or Keila Pedditzi if you can help, thank you.

Miguel Rolo and Eva Sumal will be baptised in Portugal and Slovakia respectively in August. Please keep these individuals in your prayers.

Pastor James will be on Sabbatical until 27 August inclusive. Pastoral concerns at this time should be communicated to Pastor Terry or the Elders.

**CONTINUE TO SUPPORT ADRA** during the year by taking an ADRA box or coin cards for your home or by donating to the Just Giving Page ([justgiving.com/page/audrey-balderstone-huzzey1704718636092](https://www.justgiving.com/page/audrey-balderstone-huzzey1704718636092)).

**TUESDAY MEETINGS** will be having a Summer Break. We will start again on August 6 and will put a reminder in the bulletin in advance.

**WEDNESDAY NIGHT PRAYER MEETING** is taking place in the Sanctuary. Zoom is also available. Meeting ID: 721 857 1482; Passcode: pray3r

**FOR JULY, THE NEWSTART LIFESTYLE** health program continues with the theme of "Air." God gave us breath. He breathed into the first man the breath of life. When you breathe in fresh clean air, you are exposing your lungs to more oxygen, which benefits your overall health and wellbeing.

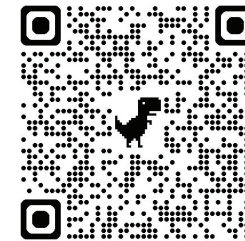

Spending time outdoors not only benefits your lung health but can also lower your blood pressure and heart rate, improve your digestion, and increase your energy levels and mental focus. With all the health benefits that fresh air can give us, it is important to spend as much time outdoors as we can. Being outside in nature for just 20 minutes a day is enough to improve vitality levels. So, if you're looking for a boost of energy, head outside into the great outdoors!

Genesis 2:7: *"Then the Lord God formed a man from the dust of the ground and breathed into his nostrils the breath of life, and the man became a living being."*  
Ellen G. White wrote, *"God has given us the blessing of pure, invigorating air, to be prized far above gold."* (Counsels on Health, p. 41). To learn more, visit the website. Any questions, please contact your Health Ministries Team ([caz@mendel-it.co.uk](mailto:caz@mendel-it.co.uk)).
