**THE NEWSTART LIFESTYLE HEALTH PROGRAM** continues with the theme of “Temperance” for the month of June. We all live in a modern society of “excess” and “self-indulgence,” where trying to maintain balance and make healthy lifestyle choices can be difficult. Temperance involves abstaining from harmful substances, food, drinks, and behaviours that can harm your mental, physical, and spiritual wellbeing. Moderation in all things is a founding principle of the NEWSTART program. The gospel calls us to exercise discipline and self-control in all areas of our lives, to prepare us for greater effectiveness in our mission to represent Christ. *Remember “Therefore, I urge you, brothers and sisters, in view of God’s mercy, to offer your bodies as a living sacrifice, holy and pleasing to God—this is your true and proper worship” Romans 12:1-2.*

The Health Ministries Team would like to invite you to a **Temperance Workshop on Sabbath 29th June at 4pm**. Further details to follow, if you have any queries or require any further information, please contact the Health Ministries Team by emailing: caz@mendel-it.co.uk.
