OUR NEWSTART LIFESTYLE PROGRAM continues with Exercise. Physical activity is one of the most important things you can do to sustain your health. Being physically active can improve your mental wellbeing, help manage your weight, reduce your risk of disease. So, church let's challenge ourselves to get moving and get fit! For those of us who need a little motivation, you can start by downloading the NHS Active 10 walking tracker, why not engage a walking partner to help keep you on track. Better still, use this exercise activity as a prayer walking opportunity! To help you achieve your exercise targets why not ask your family and friends to sponsor you, by giving an online donation to the church: Stanborough Park Church - Donation (website)

To learn more about the NEWSTART program and catch up on health messages relating to Nutrition and Exercise, please refer to the online NEWSTART resources website: NEWSTART Now - NEWSTART Lifestyle Program. Any questions, please contact your Health Ministries Team. (*links on the eBulletin*)
