**NEW YEAR, NEW ME?**

It is that time of year when we contemplate how we can become better and healthier versions of ourselves. Many of us will then make resolutions to assist in achieving our wellbeing goals. Recognising that 80% of us will fail, it is important for us to start making realistic flexible changes if we are to take charge of our health in 2025.

Here are some health resolutions that are easy to keep and will help initiate our personal journeys to better health: 1) schedule any outstanding health checks with your GP. 2) Reduce stress and prioritise sleep. 3) Drink more water. 4) Start walking more. 5) Improve your diet by reducing processed foods and incorporating more natural, healthy options. 6) Spend more time with God.

The Health Ministries Team would like to wish you a happy and blessed 2025! Please watch out for more health advice and activities which can help support your personal plan to a better and healthier future.

**WE GIVE THANKS TO GOD** for the faithfulness of those who have donated to ADRA this year. The 2024 JustGiving Page has closed with a total of £25,115.00 having been sent to ADRA over the year. God alone deserves the Glory for this total - perhaps the best ever for Stanborough.

Audrey has opened a new JustGiving Page for 2025 and she encourages giving via the link: [justgiving.com/page/audrey-balderstone-1735599011839](https://www.justgiving.com/page/audrey-balderstone-1735599011839)
