This event was a great success last year and many friends in the local area came and were blessed. Please see Diana today if you wish to be involved and for a rehearsal schedule.

The God Who Loves

When did you last take time to think about the way in which God loves you? Can you recall when you last took time out just to thank God for His love? And have you ever wondered how God's love can help you get through those tough times in life?

In a programme of "Prayer and Meditation", Brian Davison will be sharing with us the reassurance of God's love and the difference this can actually make in our lives.

There will be a time of worship, time to talk to God on your own or to talk and pray with a friend or one of the pastoral team. There will also be a separate programme for young children during the prayer time.
