Small Group Witnessing

“The commission given to the disciples is given also to us. From door to door His servants are to proclaim the message of salvation.” – Gospel Workers, p 29.

Do you have a desire to reach out and witness to those living near the church? If so, why don't you think about joining the witnessing group in this church? This small group meets once a month and visits the homes of those living nearby – either by mailing magazines or by knocking on doors and conducting a survey.

One of the most exciting things we can do in life is to share the salvation of Jesus with others, so if you would like to know more about this group, then please meet with Jean-Marc Renard and Roger Murphy in the Maple Room after the Worship service today.
