PRAYER CORNER

Please pray for disabled young people,
who cope with life so courageously.

How to use the Alpha Course 17 and 18 February, Stanborough School. The SEC Strategic Development and Church Growth Department is running a training workshop for those interested in conducting the inter-denominational Alpha Course and in making better use of our own church's LDi resources. Details from Aristotle Vontzalides on 01923 232 728.

Ten Minutes for God Please remember to spend an extra ten minutes on your devotional life. Especially, pray that God will lead you to someone you can invite to the forthcoming evangelistic series, starting on 14 March. Many members have already experienced the benefits of quietly spending time in God's Word, speaking to Him in prayer, and listening for His still small voice.

We need names and addresses of people whom you would like to be sent a special invitation to the evangelistic series that will begin on 14 March. Pat Walton, Church Growth Coordinator, is compiling a centralized list in order to avoid any duplication, so please give any names and addresses (and telephone numbers, if possible) to Pat or to Pastor Sleeman.

Good News from our Bible School! The Adventist Discovery Centre (VOP) reports that one student who lives fairly nearby is racing through the Bible course and has already declared that she wishes to start keeping the Sabbath. Pray for this lady as we try to make contact, and thanks to the person who delivered a card through her door.

Can you help? Elizabeth Talmacs, who attends this church, is moving out of her present address next week and needs somewhere to store her suitcases and a folding massage table for about two weeks. She also needs accommodation for about a month from 1 March before taking up a live-in position caring for the elderly. Please see Pastor Sleeman if you can help, or call 07932 041286. References available.

If you would like a visit, or you know of someone who is ill or lonely, or would appreciate a visit, please telephone the Pastor or Elder (see *Contacts* overleaf).
